

Here's an additional set of multiplication practice worksheets with plenty of space for students to work out their answers. Each worksheet covers single-digit, multi-digit, and decimal multiplication, providing ample room for calculations.

Multiplication Practice Worksheet 1

Name: _____ Date: _____

Section A: Single Digit Multiplication

1. $3 \times 8 =$ _____

Work:

2. $7 \times 6 =$ _____

Work:

3. $4 \times 5 =$ _____

Work:

Section B: Multi-digit Multiplication

4. $34 \times 12 =$ _____

Work:

5. $56 \times 23 =$ _____

Work:

6. $78 \times 45 =$ _____

Work:

Section C: Decimal Multiplication (*Show your work*)

7. $2.5 \times 3.6 =$ _____

Work:

Remove decimals:

_____ \times _____ = _____

Decimal places: _____

Final answer: _____

8. $1.2 \times 4.3 =$ _____

Work:

Remove decimals:

_____ \times _____ = _____

Decimal places: _____

Final answer: _____

9. $0.75 \times 2.8 =$ _____

Work:

Remove decimals:

_____ \times _____ = _____

Decimal places: _____

Final answer: _____

Multiplication Practice Worksheet 2

Name: _____ **Date:** _____

Section A: Single Digit Multiplication

1. $5 \times 9 =$ _____

Work:

2. $6 \times 7 =$ _____

Work:

3. $8 \times 4 =$ _____

Work:

Section B: Multi-digit Multiplication

4. $25 \times 16 =$ _____

Work:

5. $64 \times 19 =$ _____

Work:

6. $93 \times 27 =$ _____

Work:

Section C: Decimal Multiplication (*Show your work*)

7. $3.5 \times 2.5 =$ _____

Work:

Remove decimals:

____ \times ____ = ____

Decimal places: ____

Final answer: ____

8. $0.6 \times 1.4 =$ ____

Work:

Remove decimals:

____ \times ____ = ____

Decimal places: ____

Final answer: ____

9. $4.2 \times 0.9 =$ ____

Work:

Remove decimals:

____ \times ____ = ____

Decimal places: ____

Final answer: ____

Instructions for Students:

- Write your calculations clearly in the space provided.
- Show all your working steps for decimal problems.
- Submit your completed worksheets on the VLE by the assignment deadline.

Feel free to print these and distribute them to your students, or let me know if you need more variations!
